

Strategy 8: Observe with a wide lens

Learning Environment

How are they set up for success?

Purpose

What do they need to know/know how to do?
How is it relevant to them? What does mastery
look like?

(Communicated & Situated)

Process

How are we getting them there? How are they
constructing new learning?

(Strategies, questions, tasks, discussions)

Understanding

What do they know? How are they
demonstrating new learning?

(Checks for Understanding)
